### Accountability Pillar Results Summary Report

October 20, 2016

## Background

The Accountability Pillar surveys are administered annually during the months of January to March to:

- Students in grades four, seven and ten;
- Students in grades four through nine (small schools);
- Parents of students in grades four, seven and ten;
- Teachers.

Students and teachers complete the surveys online at school while parents receive a copy of the survey by mail and are asked to return the survey directly to Alberta Education by mail.

Student responses were grouped within the *“Tell Them From Me”* survey process. Responses were collected and tabulated into the summary chart released in May and were updated in October to include updated academic achievement based on the Provincial Achievement Tests and the Diploma Examination results (Divisional and FNMI specific).

### **Responses to the surveys were received from approximately:**

- 20 Parents (up 6 from last year). Unfortunately, low survey responses may not accurately represent our parent population.
- In Parkland School Division, approximately 413 parents responded to the survey;
- In Woodhaven Middle School, approximately 536 students responded to the survey;
- In Parkland School Division: 4,064 Students (1,449 in Grades 4-6 | 1,230 in Grades 7-9 | 1,385 in Grades 10-12)
- 28 teachers responded.

These are approximate numbers as not every student answers every question.

**Woodhaven Middle School Highlights and Celebrations:**

- 83.7% of Woodhaven Middle School parents, teachers and students were satisfied that our students have timely access to supports for at-risk students. This is the highest satisfaction level in the previous 5 years.
- 70.3% of parents and teachers are satisfied with the level of parental involvement in decisions about their child's education.
- 80.8% of parents are in agreement that students are safe at school, are learning the importance of caring for others, are learning respect for others and are treated fairly in school. This is the highest level of agreement for this measure in the past 5 years.

**Areas Requiring Strategic Planning:**

Parkland School Division's Ultimate Goal is Student Success and Well-Being. The Board's Education Plan targets four strategic goals that contribute to the Ultimate Goal: Inclusive Education, Quality Learning, Culture of Wellness and Universal Leadership.

Our school's plan for education aligns to the Board's Education Plan.

- 83.4% of Woodhaven parents, students and teachers are satisfied with the quality of education offered at Woodhaven Middle School. This is significantly below the 95% of parents surveyed who indicated that they were very satisfied or satisfied with the quality of teaching at Woodhaven.
- 67.2% of parents, teachers and students are satisfied that students model the characteristics of active citizenship. While this represents a 6.6% increase from the previous year, it remains an area of focus within the Woodhaven learning community.
- 64.4% of parents and teachers are satisfied that Woodhaven students are taught attitudes and behaviours that will make them successful at work when they finish school.

Academically derived measures are also provided on our school webpage. These 2015-2016 measures include:

- Provincial Achievement Tests (Acceptable and Excellence)
- Participation Rate
