Approval of Minutes

Agenda adopted by Ashley; seconded by Arizona
March minutes reviewed and approved by Arizona, and seconded

Wishlist

- Chris was hoping we could use Pres. Choice \$ for fridge for the commissary but is not allowed under grant specifics
- instead will be purchasing supplies like paper plates
- going to use extra \$ left over after supply purchase to get around \$300-\$400 in gift cards for families in need at the school

New Business

Chris – think about messaging for Brookwood parents for next year, maybe video for parents – what would grade 4 parents want to know about parent council

Milk – Crystal has been getting extra food and supplies through the PC grant

Fundraising

Lei – look at fundraising ideas for next year; not sure if Arizona or Ashley have given it any thought yet
Gaga Pit – this year going to do combination of Skip the Depot and bottle drive at school to fundraise for Gaga pit; kids' committee is going to help promote with posters and online; tentative dates decided by parent council and volunteers to be recruited for the 1st week of May; could put posters on joint Woodhaven/Brookwood Facebook page; could also post on Woodhaven Instagram page; Arizona said there might be school board restrictions on advertising fundraisers on social media; Chris said restriction is Castle

privacy policy – mentioned in Woodhaven newsletter; Lei is going to look into Skip the Depot for Gaga Pit fundraiser – they would go to houses and pick up bottles
