Approval of Minutes

Lei approved minutes from last meeting/agenda from current meeting

Wishlist

No wishlist at this time

New Business

Nutrition Nook – Chris- program funded by government,

-food items located in fridge for kids who either didn't bring lunch or haven't eaten in a while;

-program is different from Grab and Go

Grab and Go Program – discussion about how much the program is being used this year;

-last year Freson Bros. contributed \$75/week, this year \$50/week and can't have fruit in G and G this year due to Covid;

-Dawn has been volunteering to give out food for Grab and Go program

-Dawn going to look into getting milk for G and G program

-Ashley and Lei willing to pick up donated food from Freson Bros. if Lisa is not able to pick up;

-Construction company is also donating items this year to Grab and Go

Fundraising

Update from President Lei – no fundraising planned at this time

Suggestion to consider having Parent Association contribute \$ for more Grab and Go items if want to expand program

Treasurer Report

-no treasurer report given at this time as went over hot lunch \$ info at last meeting

Volunteers

Hot Lunch program – being worked on by Ashley;

-overwhelmingly positive response to hot lunch program as 80% surveyed in favour;

-discussion about food handling certificate required by at least one hot lunch volunteer per shift;

-Chris recommends that school council cover cost of food handling certificate for parents who are able to take the course

-volunteers for hot lunch; will need to be set group of volunteers because of food handling certificate;

-how would hot lunch work this year for distribution?

-Chris says could consider using new Foods Lab to collect food in refrigerators and drive cart out in front of lab

Announcements

-brief discussion on wellness, culture and behavior program; swag being taken care of on teachers end through Mr. M program
