Wishlist

New Business

Will be sending out a hotlunch survey to parents regarding hotlunch for this year. Food cannot be unwrapped and must be handled properly and under all guidelines set out by PSD and AHS. All volunteers working should have food handlers permits.

Grab n Go can run, food must be wrapped, volunteers must wear gloves and sanitize properly. Donation letters to be written and reviewed and distributed. Possibility of council funding program if needed. Last year Sobeyes kindly supported us with \$75 weekly of wonderful fresh food for our students for our morning

Fundraising

Fundraising this year will look a little different. Will not be doing as many fundraisers as we usually do. The wishlist we aim to fundraise for is on hold. There is some school budget to use at the moment. Typically we fundraise for such things as Chromebooks, C pens, extra programs for the school.
