Fundraising

Start planning for next year; thoughts roaming on Easter Baskets that Parents would order, tiered values (\$5 and up).

Lei to contact Booster Juice to see if a Fundraiser is possible to run online this year still(in regulation with Health rules) , if not, move it forward to next year.

Grab N Go (graciously funded by Freson Bros, Stony Plain) has been put on hold due to the current health conditions and school closures.

This School year, we did 2 Movie Nights, Little Caesars, Babas Own and with the funds we paid for the Movie License for movie nights, C- Pens, Chromebooks, and school programming, Den Days merch.

Treasurer Report

AGM Financials (July 1 - June 30), call for approval on first physical meeting (hopefully September). Motioned and approved.
