#### Update/Report from current President

- Discussed with Arizona about past successful fundraisers and focused the research on these successes
- Baba's Best - perogies and cabbage rolls. Have blackout dates. Tough to rush as there is a lag time to organize and ties into when their delivery drivers are out in Spruce Grove. Everything comes frozen, so we do it in winter so that if things need to be outside, it will not thaw and melt in the sun. Usually a morning delivery.
- Simply Suppers - gift cards for meals and appetizers
- Cake Affair - was planned for cookies for Mother's day before COVID
- CocoBrooks - food processor in Calgary does fundraising items
- Little Caesars is booked for this year - carried over and is supposed to run Feb or March of 2022. There is room to cancel and move forward or cancel completely
  - Usually the flyers just show up and run
