100 GR BARS

100% vegan • 100 gm • 4oz bars • handmade with hand-picked ingredients

LEMONGRASSI LAKES

Inspired by Rocky Mountain landmark, Grassi Lakes. Hikers and climbers alike enjoy the glacial lake views, some while hanging upside down. Lemongrass Lakes is one of our most popular scents, with a touch of earthy citrus, this is bound to invigorate your senses and freshen any space!

\$15 / 100 gm (4oz bars)

BLACK BAMBOO

Our most popular charcoal soap, made with activated bamboo charcoal. Charcoal is known to remove impurities, reduce inflammation and clear pores. It also looks like rocks, and who doesn't love rocks?

\$15 / 100 gm (4oz bars)

BOWNESS SPECIAL

Every batch and every bar of Bowness Special is unique and is inspired by the people that make Bowness special. Where people come together from all walks of life, this bar was created to represent the community for Bowness.

\$15 / 100 gm (4oz bars)

MARGO'S MINT

Made with locally grown and harvested English mint, from a Bowness neighbour. Handpicked, stripped and dried with my two little humans this bar is truly a community soap made with love!

\$15 / 100 gm (4oz bars)

BOW RIVER BREW

Do you remember your first cup of Coffee? This bar was inspired by the first time I tried cinnamon in my coffee. It is my hope to recapture that experience in this bar and share it with you!

\$15 / 100 gm (4oz bars)

BUCK NAKED

We believe in using the most simple and natural ingredients possible. When we realized how difficult it was for our community to find "plain" soap it became a priority for us to create a bar that was meant for everyone.

No added scent, just three ingredients.
\$15 / 100 gm (4oz bars)

BUG BALM

Our bug bites no longer itch for days or weeks on end with the balm! Reduces inflammation and itchiness. Natural repellants need to be applied more frequently. They are a safer alternative to other products, while not 100% bug proof- it's not magic, it's natural.

\$30 / 25 gm (1oz tin)

GIFT SET

Includes a bamboo soap dish, a soap bag and 1 bar of soap. Bamboo is known for its antibacterial, and antifungal properties and one of the most sustainable resources available. The natural fibre soap bag is great for leftover soap ends or as a great exfoliating alternative that produces extra lather!
